## MIRAMAR MCAS AIR SHOW 2004

Civil Air Patrol's Squadrons 144 & 201 will be conducting a membership recruiting event, and participating in various static display tours of military aircraft at the Miramar Marine Corps Air Station Air Show 2004. CAP's recruiting booth will be adjacent to the active-duty USAF recruiters and, together, we will represent the US Air Force in San Diego! This is an excellent opportunity to begin earning your Cadet Recruiter Ribbon, as well as have a tour of an F-117 Stealth Fighter and other important static displays.
